CHAPTER 1

GENERAL INFORMATION
(MCAS AND LAUREL BAY)

1. Application of Regulations. The regulations in this document are provided for MCAS Beaufort, Laurel Bay Housing and Townsend Bombing Range (TBR), Georgia. Chapters 1 through 6 and appendix A-I are applicable to MCAS Beaufort and Laurel Bay Housing unless specified otherwise. Hunting regulations for TBR are addressed in Chapter 7 and appendix J-P.

2. Enforcement of Regulations. The Chief Game Warden and the Provost Marshall's Office (PMO) will enforce hunting, fishing, and boating regulations and manage the issuance of hunting and fishing permits. Violator's base permits/game permits will be confiscated and privileges suspended until the case is resolved. The Chief Game Warden and PMO will review each violation and make recommendations to the Logistics Officer on a course of action (Appendix A).

3. Personnel Authorized to Hunt, Fish and Boat Aboard the Air Station and Laurel Bay. The following categories of personnel specified in this paragraph are authorized to hunt, fish or boat within the boundaries of this Air Station. Persons under the age of 16 must be accompanied by a licensed adult who is authorized by this paragraph to hunt, fish or boat. All requests for exceptions will be submitted in writing to the Chief Game Warden for approval. Authorized personnel include:

   a. Active duty and retired military personnel and their dependents.

   b. Civilian government and retired employees and their dependents.

   c. Sponsored guests of personnel authorized to hunt, fish or boat, who are 16 years of age or older. The civilian government employee and the active duty or retired military member is responsible for the conduct of their guest(s) at all times. Sponsored guests must have a safety brief conducted by the Chief Game Warden prior to hunting aboard the Air Station.

   d. Sponsored civilians will be limited to organized MCAS Sportsman Club hunts (large or small game) within MCAS areas.

4. Licensing

   a. All persons, 16 years of age and older, hunting aboard MCAS Beaufort will carry a MCAS Hunting Permit, a valid South Carolina Hunting License and have attended the hunter's safety brief given by the Chief Game Warden or other individuals designated in writing by the Chief Game Warden.

   b. All persons, 16 years of age or older, fishing in freshwater aboard MCAS Beaufort will have in their possession a MCAS Fishing Permit and a South Carolina Freshwater Fishing License. Temporary permits are available from the Chief Game Warden or at the Provost Marshal's Office (state fishing license or temporary license required).
c. All persons under 16 years of age must attend the hunter’s safety brief and be accompanied by a licensed parent or Guardian to hunt. To fish in freshwater, persons under 16 years of age must be accompanied by a licensed adult 18 years of age or older. No state hunting/fishing license or base permit is needed if under 16 years of age.

d. The MCAS hunting/fishing permits will be valid until 30 June of each year. All permits will be requested utilizing Appendix B. All hunting/fishing permits are free to authorized personnel. Annual fishing permits can be obtained from the Chief Game Warden. Temporary fishing permits are available from the Chief Game Warden or the PMO Desk Sergeant. Hunting permits can only be obtained from the Chief Game Warden.

e. Prior to the issue of a permit to hunt/fish, the applicant will present applicable state licenses and appropriate identification.

f. Civilian and military dependent applicants will execute a Certificate of Release of the Government (Appendix C) releasing the government from all responsibility in case of accident or injury while hunting, fishing or boating. The completed certificate will be retained on file by the Chief Game Warden.

g. The applicant will certify familiarity with applicable current federal, state, and Air Station regulations and execute the Certificate of Understanding (Appendix D) attesting to same.

h. The applicant will present evidence of having attended a hunter’s safety brief sponsored by the Chief Game Warden, during the current hunting season. There are no exceptions to this requirement. The safety lecture will be conducted at the Sportsman’s Club or other location designated by the Chief Game Warden. Times and dates of the lecture will be determined during the hunting season.

i. The applicant will present evidence of having registered all firearms/weapons used for hunting in accordance with reference (e). Weapons registration is to be verified by the Chief Game Warden or individuals administering the safety brief by his/her signature on the permit application. Weapon registration must have the signature of the Pass and Identification Clerk. Only weapons used for hunting will be on the application for a permit. If at a later date a new weapon is purchased for hunting, it is the hunter’s responsibility to have the weapon added to the hunting application, which is held on file by the Chief Game Warden. When a hunter borrows a weapon to hunt aboard the Air Station, they must possess a letter from the owner stating that the weapon is borrowed and must have a copy of the weapon’s registration. The letter must also include the weapon owner’s contact information.

j. Persons convicted of or against whom official administrative action has or is being taken for offense(s) involving use of drugs or Driving Under the Influence of intoxicating liquor or drugs will have all hunting privileges revoked. Privileges will not be reinstated unless installation drug/alcohol treatment/rehabilitation authorities consider the individual sufficiently rehabilitated and no longer a safety risk. If a person is PNG (Persona non grata) from base they are not authorized to hunt aboard the installation.
5. General Weapons/Firearms Regulations and Safety Precautions

   a. Hunting aboard MCAS Beaufort is limited to shotguns of ten
gauge or smaller bore, or archery. The use of .410 gauge shotguns for deer
hunting is prohibited. The use of any other hunting means such as rifles,
black powder guns, crossbows, nets, snares, or bait poisons is strictly
prohibited.

   b. Shotgun slugs will not be used due to safety because of the size of
MCAS Beaufort and the close proximity of military family housing. Buck shot,
number 3, up to and including number 000, will be used for deer hunting. Any
device which makes a solid mass of shot in flight is prohibited. This
restriction is not intended to restrict the use of choke devices on shotgun
barrels.

   c. No devices to muffle or minimize the report will be attached to a
weapon or carried at any time.

   d. Hunters will wear patches of international orange colored material,
not less than one square foot in size, on both the front and rear portions of
the upper body at all times.

   e. All hunters shall strictly observe safety precautions in the use of
shotguns and archery. Also, hunters should be aware of the noise hazards of
firing a weapon.

   f. All personal firearms/weapons used, possessed, or introduced aboard
MCAS Beaufort or Laurel Bay Housing area will be registered with the MCAS
Provost Marshal's Office. All persons will possess the appropriate
registration card when using or transporting any firearm/weapon aboard MCAS
Beaufort or Laurel Bay.

   g. All personal firearms and weapons will be transported in the trunk of
a vehicle, or bed of a truck, when not contained within a proper
firearm/weapon case. All personal firearms and weapons will be transported
unloaded with the action open. Ammunition will be separated from weapons.
Under no circumstances will a firearm or weapon be transported or stored
underneath a seat of a vehicle. The transportation of a firearm or weapon in
a window rack as to be openly visible from outside the vehicle is prohibited.

   h. Hunting/fishing knives and like instruments may be carried
openly by a hunter while he is proceeding to the hunting/fishing area, while
engaged in the sport and returning to quarters. Hunting/ fishing knives will
not be routinely stored within a vehicle being operated aboard MCAS Beaufort.

6. Control and Treatment of Pets and Wildlife. Dogs which have attained the
age of three months must be registered and have received the rabies
inoculation as required by South Carolina law. A quarterly review by a
licensed veterinarian will be turned into PMO, and a heartworm vaccination is
strongly recommended. This applies to all dogs utilized for hunting aboard
the Air Station. All dogs used for hunting aboard MCAS Beaufort will either
be leashed at all times or will be outfitted with electronic tracking
collars. In the event of Hurricane Condition II, the Sportsman's Club will
be responsible for relocating the hunting dogs to a safe haven off MCAS
Beaufort.
7. Miscellaneous

a. DO NOT FEED, molest or trap wildlife. Baiting for deer hunting is only permitted in areas 1A, 2, 4, 5, 6, 9, and 11 with approval from the Chief Game Warden. Feeding or trapping of wildlife aboard MCAS Beaufort or Laurel Bay Housing area is prohibited, except by persons designated by the Commanding Officer while in the performance of their assigned duties.

b. The trapping, feeding, killing or molesting of alligators is prohibited by law.

c. The killing or molesting of any non-game bird, e.g., eagles, ospreys, owls, hawks, or non-game wading bird, such as song birds, cardinals, and mockingbirds is prohibited and is a violation of federal law.

d. ONLY PORTABLE TREE STANDS ARE AUTHORIZED and must be removed at the conclusion of the day's hunt. Tree stands may be placed the evening or day before a hunt at the hunter's own risk. All personnel in a tree stand are required to use a safety strap. Unauthorized tree stands will be reported immediately to the Chief Game Warden for removal.

e. All illegally/accidentally-killed game (collision with motor vehicle, aircraft accident, poaching, etc.) will be immediately turned over to the Chief Game Warden. The Chief Game Warden will be notified directly or via the Military Police Desk Sergeant. In those instances where deer are inadvertently killed as the result of collision with a motor vehicle, the owner of the private vehicle may request that the deer be given to him for his personal use. The disposition of all deer or other game killed illegally or accidentally will be determined by the Chief Game Warden.

f. All night hunting for small game (example; raccoon hunting) will be approved by the Chief Game Warden and PMO.

g. The shining of hand-held or vehicle mounted lights or spotlights upon deer or other game during the hours of darkness for hunting, observing or harassing purposes is prohibited.

h. DO NOT LITTER. Hunters will pick up expended ammo casings.

i. Four wheeling/off-road driving by any type of motor vehicle is prohibited. All vehicles must be parked within 20 feet of perimeter road. No one will drive off an asphalt road or in a marked food plot at any time.

j. Area Use by Non-Hunters. Any person(s), unit, club, etc., desiring to use a designated hunting area or unassigned area is required to coordinate their request through the Chief Game Warden and PMO three (3) working days prior to the date requested. Requests for area use will be submitted in the form of a written request to the Chief Game Warden and PMO for specific areas to be used. The request will contain area to be reserved, points of contact and phone numbers. Mission essential use of an area will be considered a priority. Area #2 is used for training by the Corporal's School. Area #4 is used by MCCS paintball range. Hunters need to be aware of this, and that possible confrontations could occur if either party fails to properly sign in for these areas.
k. Hunters who checkout to go hunting an hour before daybreak must return the hunting-area pass and/or doe pass to PMO prior to reporting to their work section for duty. The hunter will not take the area pass or doe pass to his/her work section or keep it all day. In the same respect, no hunter will keep an area pass or doe pass overnight in order to hunt in the morning.

1. Non-sponsored civilian MCAS Sportsman's club members do not have exclusive rights to hunt aboard the Air Station

f. All arrows used for hunting on MCAS Beaufort will have the name of the owner clearly labeled on the shaft of the arrow.

g. The "flu-flu" type arrow will be used for elevated shots. These arrows are the same as those used in bird or squirrel hunting.

h. The use of crossbows is prohibited.

i. Individuals engaged in archery hunting are prohibited from using or carrying firearms.

j. Areas 1A, and 9 are reserved for archery hunting only.

k. Area 4 is reserved for organized hunts only.

(4) No deer taken will be field dressed. A disposal site, located at the Sportsman’s Club, is available to all hunters for deer harvested at MCAS. Rules regarding use of the site are posted at the Club and must be followed in order to use it. Failure to follow the rules will result in the site being closed and possible administrative action. All deer taken on MCAS must have the weight and sex recorded prior to being cleaned. One-half of each deer lower jaw bone will be removed and turned in to the Chief Game Warden for storage and later released to the South Carolina State Biologist's Office.
at the conclusion of the hunting season. At such times as state game biologists are working with Air Station officials, hunters may be required to surrender parts of the deer for scientific study.

6. Harvest Report. All individual hunters or the Hunt master will initiate the Harvest Report (Appendix F) when checking in with the Duty Game Warden/PMO Desk Sergeant after concluding the hunt for the day. Harvest reports will be completed when game is taken.
CHAPTER 4

HUNTING (ORGANIZED)

1. Organized Hunts

   a. Organized hunting is authorized in all areas except area 1A, with the approval of the Chief Game Warden. Area 4 is reserved for organized hunts only. Area 5 is reserved for organized hunts during weekends and holidays only. Bow hunting is authorized in Area 5 during non-holiday weekdays.

      (3) Immediately upon termination of the hunt, the hunt signs will be removed from the roads/paths.

      (4) In the event that an intruder is observed, the first hunter observing the intruder will, by voice command, secure the hunt. Intruders, regardless of grade, should be fully identified and referred to the Chief Game Warden for violation of this Manual.

   a. Hunting in any area or place other than described above is prohibited. The Commanding Officer may from time to time authorize special hunts in other areas of MCAS Beaufort.

      (1) According to NAVSEA OP-5 (p.2-6, para 2.1 6.3b), all hunters in areas 2 and 3 will not venture beyond a 200 yard inboard boundary surrounding the Air Station Ordnance and Missile Facility. As a caution, these areas are prominently marked with yellow paint on the outboard side of trees.

      (2) The sounding of a vehicle horn or PA system will be used to contact hunters in an area. Once heard, hunters must leave the hunting area and go to the Hunt Master, Game Warden or PMO representative for instructions.

   b. All organized hunts will be managed and controlled by a designated Hunt Master. Designated Hunt Masters will be responsible for the organization, proper conduct and safety of the hunt and will be guided in the
performance of their duties by the special orders for Hunt Masters contained in Appendix G.

Hunt requests will be submitted no later than 0900, on the Wednesday prior to the hunt. Special organized hunts may be conducted during the week upon approval of the Chief Game Warden and the Commanding Officer.

d. When organized hunts are conducted in a particular hunting area, only those persons participating as Hunt Masters or Game Wardens in the performance of their duties will be allowed to use secondary dirt roads in the hunting area. All other open hunting areas will be available for individual hunting for all legal game.

e. Organized hunters will comply with Chapter 3, paragraphs 4, 5 and 6.

2. Small And Big Game Organized Hunts. The representative of an organized hunt will submit a written request to the Chief Game Warden for specific area(s) to be hunted. The request will contain the type of game to be hunted, time(s), date(s) and area(s) to be reserved, the names, addresses, duty and home phone numbers of the Hunt Master and Assistant Hunt Master and the approximate number of hunters expected to participate. No more than two hunting areas will be reserved for an organized hunt on any given day. Hunt Masters may check out a hunting area one hour prior to sunrise and must clear the hunting area prior to one hour after sunset, except raccoon hunts authorized by NREAO. The Hunt Master must personally check in with the Duty Game Warden/PMO Desk Sergeant and provide him a complete roster of persons attending the hunt. This roster will contain the name, social security number and Air Station hunting permit number of each hunter involved. At the conclusion of the hunt, the Hunt Master will personally check out with the Duty Game Warden or the PMO Desk Sergeant.

b. Coordinate with S-4/NREAO and PMO in matters pertaining to conservation of natural resources.

c. Cooperate with the S-4/NREAO to promote good wildlife management and conservation practices.

d. Individual and hunting parties will be responsible for securing dogs at the conclusion of the hunt.
1. Fishing. Fishing will be in accordance with the regulations contained in reference (a) and the provisions of this Order.

   a. In addition, users of the fishponds will comply with the following instructions:

      (1) Swimming and wading are not permitted in the fishponds.

      (2) Boats less than 18 feet long may be used. Boats will be equipped with at least one oar and at least one life preserver or Coast Guard approved flotation device per occupant. Electric trolling motors may be used. Use of gasoline motors is prohibited. Boats with gas motors may be used in the ponds but the motor must be raised. Inflatable crafts, and belly boats are not authorized, due to alligators in the ponds.

      (3) Live fish will not be used as bait. Possession of live fish in areas adjacent to the ponds is strictly prohibited. This helps to prevent unauthorized stocking of undesirable types of fish. This includes all fish: minnows, crappie, shiners, etc.

      (4) No firearms, pellet, air guns, bows, crossbows, arrows or other dangerous weapons are permitted on or around the ponds except as authorized for organized hunts.

b. The following regulations pertaining to size, limit, equipment and methods of taking saltwater fish, crabs and shrimp coincide with South Carolina state regulations and will be enforced throughout the Air Station. These regulations particularly apply to the areas known as the Air Station Marina, Laurel Bay Boat Ramp, Laurel Bay Pier, SAR Pond, Shady Point Picnic Area, and the pier near the Sportsman's Club. The Fuel Pier is not an authorized fishing or shrimping area.

(1) No state saltwater fishing license or stamp is required to fish from the above areas.

(2) Shrimping will be allowed only with hoop or cast nets. Baiting for shrimp within 50 yards of a fixed structure or from a fixed structure is not permitted. Properly licensed personnel are permitted to bait for shrimp from the shore or from a boat.

(3) Giggers must have a valid South Carolina Gigging License in their possession.

(4) Crab pots are limited to two pots per person and are subject to applicable South Carolina state regulations. Crabs less than five inches, measured from tip of point across the back of the shell, must be returned to the water immediately. Female crabs bearing eggs from which the egg pouch has been removed may not be kept and must be returned to the water immediately. One claw may be taken from stone crabs. All stone crabs must be immediately returned to the water so long as one claw remains.

(5) All game fish caught must be in accordance with South Carolina state regulations regarding size and limits.

(6) Catches may not be sold or bartered.

c. All personnel will adhere to safety rules while aboard MCAS Beaufort and at Laurel Bay Pier, boat ramps and docks. All children ages 12 and under are required to wear life jackets while on or near the Laurel Bay Pier and all boat ramps, docks, and will be under parental supervision.
1. Boating
   a. All boating in the waters under the jurisdiction of the Commanding Officer will be in accordance with reference (b).

   b. Person(s) are considered to be boating when operating boats in any waters under the jurisdiction of the Commanding Officer, to include the use of launching and docking facilities and/or the use of any land or excursion there from.

   c. South Carolina has adopted the U.S. Coast Guard navigation rules concerning boating safety.

   d. All boaters are encouraged to take a boating safety course sponsored by the U.S. Coast Guard Auxiliary.

2. Registration Of Boats. Without exception, all vessels with propulsion machinery installed or attached must be registered. Vessels having valid registrations from other states may use South Carolina waters for 90 consecutive days before they are required to have South Carolina registration.

3. Equipment Requirement For Boats
   a. Under 16 feet:

      (1) Coast Guard approved personal flotation device (PFD), type 1, 2, 3 or 5 for each person aboard with proper fit and serviceability.

      (2) Valid South Carolina registration or see paragraph 2 of this chapter.

      (3) Navigation lights between sunset and sunrise.

      (4) Horn or whistle.

      (5) If equipped with enclosed fuel tanks or inboard engine, must have one fire extinguisher and ventilation system.

   b. 16 feet or greater, but under 26 feet:

      (1) Valid South Carolina registration.

      (2) Wearable Coast Guard approved PFD for each person, type 1, 2, 3, or 5. Type 5 PFDs may not be substituted on children weighing less than 90lbs.

      (3) One Coast Guard type 4 (throwable) PFD onboard.
(4) Navigation lights between sunset and sunrise.

(5) Horn or whistle.

(6) If equipped with enclosed fuel tanks or inboard engine, must have one fire extinguisher and ventilation system.

c. 26 feet but under 65 feet, see reference (b).

4. Types of Personal Flotation Devices

a. Classification

(1) Type 1 PFD's (off-shore devices) have the most buoyancy and are designed to turn most unconscious persons in the face down positions to vertical or slightly backward positions. The type 1 device provides the greatest protection to its wearer and is the most effective PFD.

(2) Type 2 PFD's (near-shore devices) are wearable devices designed to turn some persons to vertical or slightly backward positions in the water. The turning action is not as pronounced as that of the type 1.

(3) Type 3 PFD's (flotation aids) are wearable devices designed to keep conscious persons floating in vertical or slightly backward positions with their heads above water. The type 3 PFD has little or no turning ability and may not turn an unconscious person upright in the water.

(4) Type 4 PFD's (throwable devices) is a device designed to be thrown to a person in the water and grasped and held by the user until rescued. **IT IS NOT DESIGNED TO BE WORN.**

(5) Type 5 PFD's (special use devices) are designed for use only when engaged in the activities specified on their labels.

b. To be acceptable, every flotation device must meet the following conditions:

(1) Be U.S. Coast Guard approved.

(2) Be of an appropriate size for the intended wearer (except type 4).

(3) Be in serviceable condition.

(4) Wearable PFD's must be readily accessible. Throwable devices must be immediately available.

(5) Type 5 PFD's must be used according to the instructions.

c. Legal requirements for PFD's
(6) A boat 16 feet or longer in length must be equipped with one type 1, 2, 3, or 5 (wearable) PFD for each person in the boat in addition to one type 4 (throwable) PFD in case someone falls overboard.

(7) A boat less than 16 feet in length or any canoe or kayak must be equipped with one type 1, 2, 3, or 5 PFD for each person on board. Children under 12 years of age are required to wear a Type 1, 2, 3, or 5 PFD. The PFD must be fastened and of the proper size for the child.

(8) Each person riding on a personal watercraft or being towed behind a vessel must wear a US Coast Guard approved Type 1, 2, 3, or 5 PFD.

5. Safety Tips

a. Before leaving:
   (1) Tell someone where you are going and when you expect to return.
   (2) Check the weather forecast.
   (3) Ventilate engine compartment before starting engine.
   (4) Ensure your boat has all required safety equipment.

b. Persons aboard:
   (1) Do not overload.
   (2) Avoid horseplay.
   (3) Have PFD's readily available for everyone.
   (4) Small children, non-swimmers and handicapped persons should always wear PFD's when boating.
   (5) Remain seated in small boats.

c. While underway:
   (1) Know and obey the navigation rules.
   (2) Keep a proper lookout.
   (3) Proceed at a slow speed in harbors and confined areas.
   (4) Avoid excessive speeds.
   (5) Watch your wake; you are responsible for any injury or damage caused by your wake.
   (6) In rough waters, stay low in the boat and meet waves head-on or at a slight angle.
(7) Pass red buoys on your right when traveling upstream or when heading south on the intercoastal waterway.

(8) Tying to buoys or anchoring in channels is forbidden.

(9) Carry tools for minor repairs.

d. Weather:

(1) Observe cloud formations.

(2) Play it safe and head for shore if the wind increases.

e. NOAA weather service radio frequencies are:

(1) WX-1: 162.55 MHz

(2) WX-2: 162.400 MHz

(3) WX-3: 162.475 MHz
CHAPTER 7

HUNTING, TOWNSEND BOMBING RANGE, GEORGIA

1. General. TBR is under the jurisdiction of the Commanding Officer, MCAS Beaufort. This document provides guidance on the implementation of the hunting program at TBR. It applies to all hunters at TBR. All state and federal game laws will be enforced at TBR by the MCAS Beaufort Chief Game Warden, Georgia Department of Natural Resources (GADNR), and other personnel having enforcement authority. Any person entering onto TBR must obey all laws, rules, regulations, schedules, permits, or other written or oral directives issued by the Commanding Officer, MCAS Beaufort. Failure to comply with this written instruction will result in forfeiture of future privileges and written notification being sent to the appropriate authorities. All disciplinary action for a violation will be based on the appropriate local, state, or federal laws. Military personnel assigned to TBR will be responsible for the overall execution of the TBR Hunting Program and will be referred to as Hunt Managers. All activities and instructions in this document are subject to change without notice in order to support the military training mission.

   a. Only hunting from an elevated (minimum 10' high) tree stand is permitted under strict supervision of professional wildlife management by county, state, and federal personnel. Public hunting is permitted in areas not contained within military training areas (impact zone, target sites, endangered species primary zones, etc.). The Chief Hunt Manager will not be allowed to hunt during scheduled public hunts, but may accrue one hour of hunt time for every hour spent on duty as Chief Hunt Manager as approved by the TBR Range Control Officer (RCO). Assistant Hunt Managers can also accrue one hour of hunt time for every hour spent on duty as an Assistant Hunt Manager. The RCO must approve hunting areas before hunting is allowed. Shotgun (slugs only - buckshot is prohibited), muzzleloader, rifles (.22-cal. or larger centerfires with expanding bullets), and archery hunting is permitted on the dates established and authorized by the RCO. All other weapons are prohibited.

   b. Final approval for specific hunting dates for all seasons will be set through coordination between TBR natural resources personnel and the RCO. The seasons will fall within the dates established by the GADNR. All hunts are subject to change or cancellation at any time.

   c. The frequency of hunts will be determined by the RCO in coordination with natural resource personnel.

   d. Proposed hunting dates and application procedures will be published in the local county newspaper prior to each seasonal drawing.

   e. Permit applications will be made available prior to the hunting season. Applications will be received until a specified published date prior to each seasonal drawing.

   f. Applications will be randomly drawn for approved hunt areas. This system will allow an adult and one guest (who may be a minor child) to hunt the same area. Guest information will be disclosed on the permit application. Applications with names (either hunter or guest) showing-up twice on different applications will be disqualified and may be excluded from
future hunts for two (2) years. False information will disqualify an applicant and guest for two (2) years. Additional applications will be drawn for alternate hunt permits in case of a no-show.

   g. Once drawn, the applicants will be notified and given specific hunting instructions. If an applicant is not drawn after two consecutive seasons of applying to hunt, that applicant will be automatically given priority to hunt the third (3rd) consecutive season based on available space and will be given specific written hunting regulations and instructions.

   h. Hunting permits will be issued to successful applicants at no cost. Permits will be issued for deer only; however, wild hogs and coyotes may be harvested according to GADNR regulations.

   i. Hunters are encouraged to participate in the “Hunters for the Hungry Program.”

2. Responsibilities

   a. Military personnel assigned to TBR will be responsible for the overall execution of the TBR Hunting Program and will be referred to as Hunt Managers.

   b. In order to avoid conflicts with the military training mission, hunting dates for the season will be set by the RCO and fully coordinated with TBR Natural Resources Personnel.

   c. The Commanding Officer, MCAS Beaufort is responsible for establishing TBR hunting regulations. The MCAS Beaufort Game Warden, GADNR and other federal wildlife law enforcement officers may enforce laws and instructions. All activities and instructions in this document are subject to change based on the current military training mission.

   d. The Chief Hunt Manager will:

      (1) Conduct hunt drawings to include registering all hunters, issuing hunt and vehicle permits.

      (2) Ensure that every hunter completes an emergency data card and signs a “hold harmless agreement.”

      (3) Record alleged violations of this policy and forward alleged violations along with the report to the MCAS Game Warden and the RCO for appropriate action.

      (4) Contact law enforcement personnel as necessary to enforce state and federal game laws. All citations will only be written by the MCAS Beaufort Game Warden, GADNR, and/or other federal wildlife law enforcement officers. These officers will be called to TBR as needed and available.

      (5) Check hunters in and out and open and close range security gates as needed or specified by this document.

      (6) Be available at range control at all times during an approved hunt in order to support hunter emergencies and other needs.
(7) Receive special instructions from the RCO as necessary.

(8) Check sign-in/out register prior to terminating the hunt to ensure everyone has returned safely from hunting.

(9) Conduct range safety briefings for all hunters.

   e. TBR Hunt Managers, the Chief Game Warden, and/or MCAS Beaufort natural resources personnel will conduct threatened and endangered species briefings for all hunters as well as any other relevant natural resources issues.

3. Policy

   a. Safety of individuals, protection of property, security and resource-based management are the primary concerns at TBR. Therefore, this policy must be complied with in every aspect to have a safe hunting program.

   b. Permits will be issued by TBR or its authorized representative. Any person may submit a permit application to hunt at TBR provided that they are 21 years of age or older, possess a valid GADNR Hunting License to include a big game permit if applicable, have an acceptable hunter safety course certificate, have no prior GADNR violations, and have accomplished all other requirements within this document. Eligible hunters may bring a guest; the guest must meet all requirements for hunting as stated in the current “Georgia Hunting Seasons & Regulations” to include an approved hunter safety course. The eligible hunter assumes total responsibility of their guest. Guests must adhere to all requirements in this document. An under-aged guest (less than 21 years old) must stay within sight and voice contact and no more than 100 yards away from the eligible hunter. Guests carrying a weapon must have an acceptable hunter safety course certificate. All hunters and guest will comply with the instructions given by the Chief Game Warden and the Chief Hunt Manager at all times.

   c. The killing of animals not authorized in this document or the destruction of plants will not be tolerated. Violators will be prosecuted to the fullest extent of the law.

   d. Individuals hunting will be issued a parking permit. The parking permit will be placed inside of the windshield so that it may be read from outside the vehicle.

   e. Individuals desiring to hunt at TBR must complete an application package to include a "hold harmless agreement."

   f. The season limit on deer will follow Georgia State Law with exceptions as stated next: one of the two antlered deer must have a minimum of 4 points, one inch or larger, on one side of the antlers with the exceptions being that the other antlered deer must have a minimum of 3 points on one side of the antlers and only one deer per hunter taken per day. Killing of fawns (spotted deer) is prohibited. In order to ensure that deer are being properly managed, at least one jawbone will be extracted for GADNR analysis. Hunters will also properly record the kill as stated in the current "Georgia Hunting Seasons & Regulations."

   g. All hunting will be done from an elevated (minimum 10' high) stand furnished by the hunter. Stalking is not permitted.
h. In the event that a hunter is mobility-impaired, the hunter may hunt from a ground blind.

i. Hunters must wear at least 500 square inches of hunter orange as an outer garment above the waist at all times. In addition, a hunter orange hat must be worn to and from the stand.

j. Hunters will not drive spikes, nails, screws or any other device into trees for any reason. Climbing tree stands must be designed not to cut into or damage tree bark. Climbing tree stands will be approved by Natural Resources Personnel before climbing any tree. All stands will be securely fastened to a tree. Additionally, hunters will be securely fastened to the stand and/or tree with an approved manufactured hunter safety harness.

k. Hunters are not permitted to carry handguns at any time on TBR.

l. Hunters will sign-in/out and enter/exit TBR only at the range gate located on Georgia Highway 57.

m. Hunt dates and sign-in/out times will be set prior to each season to correspond with state hunting seasons and military training needs. After the daily sign-in time the gate will be locked until the daily sign-out time. Late arrivals may not be allowed to hunt for that day. In case of an emergency or a need to leave such as to process an early kill, hunters must contact the Chief Hunt Manager at the check station in order to exit outside of that days prescribed exit time. All daily hunting will commence and cease according to the current "Georgia Hunting Seasons and Regulations," and all hunters will report back to the check station no later than one hour after official sunset.

n. While hunting, hunters must remain within the assigned hunting area. Before proceeding into another hunt area to recover game, hunters will contact TBR personnel to verify that no other hunters are present, or scheduled to be in the area you intend to enter. Use common sense and courtesy when searching for downed deer or hogs.

o. All weapons will remain unloaded with actions open until the hunter is secured on the stand.

p. Hunters will be allowed time to scout and set stands prior to the hunt as determined by the RCO. Once stands are set in place, hunters must annotate the locations on a map provide by TBR.

q. Hunters will check deer and hogs at the designated TBR check station. The Chief Hunt Manager will collect physiological data such as weights, ages, sex, jawbone extraction, and antler dimensions.

r. All empty shells and/or litter will be removed from the stand area.

s. No field dressing deer or hogs. Persons handling wild hogs will use gloves due to the possible transmission of diseases. All animals taken must be transported to the game check station for biological data collection.

t. Absolutely no baiting, feeding, and/or trapping any wildlife.

u. Hunter all terrain vehicle (ATV) use on TBR is prohibited.
v. Use of alcohol and/or illegal drugs is prohibited.

w. Hunters must have in their possession during the hunt a flashlight, compass or Geographic Position System (GPS), and a whistle. A cellular telephone is encouraged but is optional.

b. Hunt Masters and Assistant Hunt Masters must show that they possess a thorough knowledge of the physical terrain of each area to be hunted and are fully familiar with, and understand the current rules and regulations established by the South Carolina Department of Natural Resources.

c. MCAS Sportsman's Club Hunt Masters will be designated in writing to Chief Game Warden by the Club President annually, prior to the start of hunting season. Non-Sportsman Club Hunt Masters will be designated by the Chief Game Warden.

2. SPECIAL ORDERS FOR HUNT MASTERS AND ASSISTANT HUNT MASTERS

b. The Hunt Master will be responsible for the organization, proper conduct and safety of the hunt, and assume the duties which include, but are not limited to, the following:

(1) Ensure that all participants of the hunt are eligible to hunt and possess all appropriate licenses/permits as required by the South Carolina Wildlife and Marine Resources Commission Hunting and Fishing Regulations and this Order. Restrict the number of hunt participants as dictated by prudence and safety.

(2) Prior to the start of the day's hunt, report in person to the Duty Game Warden/PMO Desk Sergeant. Provide the PMO Desk Sergeant/Duty Game Warden with a complete legible roster of participants, to include: name, grade, social security number and Air Station Hunting Permit number for each hunter. HOLD HARMLESS AGREEMENT

(RELEASE OF CLAIMS & WAIVER OF LIABILITY)

I am about to participate in activities associated with hunting to be held in military training areas at Townsend Bombing Range, Georgia.

SITE SPECIFIC DANGERS: I understand that the designated hunting area to which I will be assigned is located within an active military training complex which includes training areas and a live fire range. I understand the following cautions with regard to this range and training areas. First, the range and training areas have been designed for and used by the armed forces for training its personnel in the deadly art of individual and unit combat. Second, this entire range and all training areas, to include my assigned hunting area, have been subject to countless live fire exercises and may well contain a variety of unexploded ordnance which, if triggered by or during my presence, could result in serious bodily injury or death to me (NOTE: STAY WELL CLEAR OF ANY AND ALL VISIBLE ORDNANCES). Third, this active weapons range has designated but unmarked safety zones known as Surface Danger Zones (SDZ) within which the projectiles from a given weapons system should be contained. While the specific hunting area to which I am assigned on a given hunting day will not be within an active SDZ, I understand that it may be immediately adjacent to an active SDZ. I understand that if I leave my assigned hunting area by other than an authorized route, I may enter an active SDZ and expose myself to serious bodily injury or death. Finally, this range and training areas contain manmade and natural obstacles, some of which may be hidden, which could cause me to stumble, fall, and otherwise suffer serious bodily injury or death.

HUNTING DANGERS: I understand the following are hazards inherent in the activity of hunting: hunters are equipped with weapons to include firearms and archery equipment that fire projectiles designed to cause death; hunting exposes me to the hazards of these projectiles through my own actions and the actions of other hunters in handling the weapons, identifying game, and making decisions when and where to shoot; the climbing of trees, use of tree stands and associated climbing devices exposes me to serious bodily injury or death from falling; accessing hunting areas and retrieval of game is a rigorous outdoor activity which may expose me to hazards to include, but not limited to weather extremes, physical exertion, catastrophic illness, hypothermia, drowning, falling debris from trees, toxins from plants and animals, disease transmitted by ticks and rabid animals.

In consideration of the privilege to participate in hunting, I, the undersigned, intending to be legally bound, waive and release for myself, my heirs, executors, administrators and assigns, all liability for damages or injury that I may incur from participation in hunting and any and all rights, claims, demands and other actions which would otherwise have as a result of my participation in hunting. This waiver of liability and release of claims extends to the I following entities, their agents, employees, staff, representatives, successors, assigns and individuals, including such individuals when acting in either their official or personal capacities: the United States Government, the Department of Defense and of the Navy, the United States Marine Corps, the State of Georgia, the County of McIntosh, Georgia, the State of South Carolina, the United States Air Force, the Georgia Air National Guard, and any other agency or personnel associated
hunting at Townsend Bombing Range, Georgia. This release and waiver extends to any and all property damage, bodily injury or death I may suffer as a hunting participant due to the actions or decisions of such entities and individuals, whether made in good faith or through negligence. This waiver does not extend to intentional misconduct or actions taken with reckless disregard for human life and safety.

I understand that by signing this Agreement, I have abandoned any rights I may have, or any rights anyone associated with me may have, through legal or friendship or family ties, to sue the federal government for any injury I may sustain because of my participation in hunting that results in any damage whatsoever to my property, my person or in my death. By signing this document, I acknowledge that the federal government, or any agency or employee thereof, is not liable for any injury I may sustain, to include death, as a result of my participation in hunting. This document shall remain in effect and be held until the Range Operations Officer, Townsend Bombing Range, Georgia receives written notice of cancellation.

Initials Date

I ACKNOWLEDGE THAT I HAVE READ THIS AGREEMENT, THAT I AM FULLY AWARE OF THE RISKS INVOLVED IN THIS EVENT, AND THAT I VOLUNTARILY ACCEPT AND ASSUME THE RISKS ASSOCIATED WITH PARTICIPATION IN THIS EVENT.

I understand that should I decline to execute this release of claim and waiver of liability, I will not be permitted to participate in hunting at Townsend Bombing Range, Georgia.

Townsend Range Hunters Safety Briefing

1. All hunters must read and completely understand everything stated in this document. Sign and return to range Hunt Manager prior to hunt.

2. Purpose: To establish a safe hunt program and to make aware all personnel involved the hazards associated with this program.

3. Hazards to Hunters: This is a military training range where weapons are used to train our military fighting forces. The following will list some of the hazards associated with this installation.
   
a. Spent ordinance will not be handled by anyone at anytime. Just because it has been used does not mean it is safe. Avoid all spent ordinance at all times. It does not have to be marked or identified by anyone associated with the hunt.
   
b. Be careful of all holes in the ground and stay clear as they could possibly cave in. Walk way around any thing that looks suspicious and be aware of your surroundings and footings at all times.
   
c. Inspect any tree thoroughly before climbing look for any damage that may have been caused by ordinance or any knots in trees that could cause the tree to break while climbing.
   
d. Be aware of where you are. The Range boundary lines are properly marked with signs. We have hunting clubs for neighbors and they could possibly be hunting the property lines. Do not leave the property if you trail a wounded deer to the property line. Mark the spot and notify Range Control immediately. We will notify the appropriate people and help to retrieve your deer.
   
e. Do not wander into areas that you are not assigned. You may not know where other hunters are and there are areas you do not need to be in for your safety.
   
f. Be aware that we have venomous snakes. Protect yourself against tick bites and the possibility of getting Lime Disease.
   
g. Know your equipment. Inspect it thoroughly and always use a Climbing Safety Harness.
   
h. Make sure your weapon is in good working order and never use non-approved ammo for your weapon.
   
i. Know your target, and what's behind your target.
   
j. If you wound or kill an animal and cannot retrieve it on your own, contact Range Control and we will assist you to make every effort to retrieve
the animal. Leaving a dead animal on the range will cause buzzard activity, which can cause severe damage to the aircraft that trains here.

k. Make all check-in times. If you are looking for a wounded animal mark the spot and notify Range Control. After everyone has checked in we will be glad to assist you in retrieving your animal. If you do not check-in for any reason we will assume that something went wrong and immediately start searching for you. Remember that the check-in is for your safety.

4. Souvenirs: Under no circumstance can you take a souvenir from the range! We hope that taking a good hunting memory and possibly a trophy is the greatest souvenir. Good hunting and good luck.
